

BOMEX 2017 – EDUCATION SERIES

THE PEOPLE CONNECTION – STREAM 4 | 2:15-3:15 pm

Maximizing your ROI: The economic value of training your building management staff

David Giddings,

Panelist

With 25+ years of property management experience, David currently directs our National Operating & Technical services initiatives aimed at enhancing site delivery of service excellence and best operating practices enhancing returns for our stakeholders.

He leads a team of 3 individuals that deliver programs leveraging Oxford's scale to address efficiency, expertise and governance. His current focus is largely on Oxford's evolving Smart Building's initiative ensuring the assets are future proofed to address occupants, visitors and shoppers demands for a connected experience.
