

BOMEX 2017 – Education Series

Panel Moderator

Janet Cloud, COO Smashblock

Janet Cloud is a senior executive with global experience in medium to large companies in a variety of industries. Prior to Smashblock, she was VP Operations & Technology at Advantage International. She was EVP at TNS Canada running Operations & Technology, and ran cross-border transformational initiatives with TNS U.S. Janet has a B.Sc. and a MBA in Operational Research and Management Information Systems from McGill University. She holds the Certified Management Consultant (CMC) designation. She has served 15+ years as a corporate and non-profit Board director, and has attained her ICD.D from Rotman School of Business at University of Toronto. Janet volunteers as a tutor with “Beat the Street” at Frontier College, and mentors with the Cherie Blair Foundation supporting women world-wide to become economically independent contributors to their communities.
