

BOMEX 2017 – Executive Panel

Panelist

Remco Daal, President, Canadian Real Estate, QuadReal

Remco Daal joined QuadReal as President of Canadian Real Estate in June, 2016. He focuses on the company's domestic operations, including investment, development, and the management operation of the Canadian property portfolio.

He was formerly the President and Chief Operating Officer of Bentall Kennedy in Canada, where he was responsible for overall Canadian financial and operating performance. Previously, he held senior positions with CIBC Development Corporation and a private Toronto-based development company.

Remco holds a B.Comm. from Wilfrid Laurier University, and an MBA from European University. He currently serves on the board of Parkbridge Lifestyle Communities as well as the Faculty Advisory Board of UBC's Sauder School of Business. Remco is committed to supporting excellence among the great team of people that make up QuadReal.
