

BOMEX 2017 – Executive Panel

Panelist

Toni Rossi BPHE, ICD.D, President, Real Estate and Lending Division, Infrastructure Ontario

A 25-year Commercial Real Estate professional, Ms. Rossi leads the planning, transactions and overall management of the Province of Ontario's 46 M sq.ft and 150 thousand acre Realty Portfolio and is accountable for the company's \$5 billion Loan Program. Ms. Rossi was a key member of the Executive Team merging Ontario Realty Corp (ORC) and Infrastructure Ontario (IO) in 2011. Prior to the merger she was SVP, Development and Project Services and VP, Strategic Asset Management at ORC. Before joining the Crown Corporation, Toni was with Oxford Properties as Director of Development. The majority of her Real Estate career was with Cadillac Fairview where Toni held many retail and office property management, business reengineering, national operations and marketing positions culminating as GM TD Centre. Toni graduated from the University of Toronto and holds an Honours BPHE and her ICD.D from Rotman's Institute of Corporate Directors. A passionate volunteer and fundraiser for many not-for-profit organizations over the years, Toni is currently serving as Director on the National Board of Habitat for Humanity Canada. She previously served as Chair of the Board for Habitat Toronto, was the First Chair of the largest Canadian Women Build in Toronto and Chair of an inaugural Board for a small Canadian Olympic Athlete's Fund. An active mentor and member for industry associations, Toni is currently serving on the Urban Land Institute (ULI) Board as Co-Chair of the Women's Leadership Initiative (WLI) Committee and has held positions on the Board for Toronto CREW, Toronto's Legacy Committee and Toronto CivicAction Committees.
